*Nordic Adventure Race is a race, where your skills as a scout will be challenged in different ways. Scouts meet other scouts and bond over their commonalities and their differences.*

*The Race takes place in the glorious Faroese nature and lasts for 7 days. We walk, we run, we hike, we eat, we swim, we sleep (not a lot!) - and enjoy all that the Faroese nature has in store for us!*

*You will be tested and challenged—as an individual and as part of a scout troop. The journey will be tough at times and there will be exciting challenges to overcome along the way—but we will face these challenges head on, functioning as cogs in the greater Nordic collaboration.*

*Participant maximum is 25 scouts per country. The participants will work in scout troops and in each troop there will be around 6-8 scouts. The troops will be responsible for preparing their own food, setting up their bivouac and solving different tasks along the way.*

Scouts, leaders and ISTs all sign-up for the Race under “Registration”. You will be asked what you are signing up as and you specify either scout, leader or IST.

### *Scout sign-up: Parental information*

If you are signing up as a scout, you will need to provide parental information. If you are signing up as a leader or IST, you will not have to provide this information.
